Create Your Evacuation Plan

Create Your Evacuation Plan

- ✓ Study a map to identify routes (by car, foot, bike, etc.) in every direction that may be potential evacuation options, and practice
- ✓ Have your Go-Bags packed and accessible
- ✓ Know which neighbors may need help and plan to assist them
- ✓ Have a checklist of items to quickly grab
- ✓ For all pets have carriers, harnesses and water/food/supplies ready
- ✓ Designate meeting sites to reunite with the members of your family after you have evacuated, and out-of-area contacts to update
- ✓ Always keep at least ½ tank of gas in your vehicle, park facing out

Build Your Go-Bag

Build Your Go-Bag to Survive 1 – 2 Days

- ✓ Headlamp/flashlight
- ✓ AM/FM/NOAA radio
- ✓ Cell phone charger/backup battery
- ✓ Change of clothes, comfortable shoes
- ✓ Gloves, mask and eye protection
- ✓ Personal items/extra glasses
- ✓ Medication and prescriptions
- ✓ Water and snacks/food
- ✓ First Aid kit, whistle and emergency blanket
- ✓ Copies of important documents
- ✓ Extra batteries (don't store batteries in devices!)

Pack items in a backpack, duffle bag or sturdy shopping bag

Prepare for Public Safety Power Shutoffs

Preparing for PSPS

- Check PG&E's Website for notices and information: www.pge.com
- Prepare for your own medical needs
- Charge your devices and backup batteries
- Know how to open your garage door manually, consider installing a garage door opener battery back-up
- Cell phone communications aren't guaranteed!
- Solar-charged large storage batteries or generators can be alternate power sources to consider
