BEFORE EVACUATION

- Tune your portable AM/FM radio to KCBS 740 AM or KQED 88.5 FM for emergency information
- Secure your pet(s) in their carriers and gather necessary supplies (leashes, water, food, etc.)
- Gather essentials (emergency “Go-Bags”, vital documents, maps, valuables, water, food, etc.) and put them in an accessible location for quick access, such as by the front door
- Check on or call neighbors to alert them and offer to assist any with special needs
- Dress in long pants/long sleeves (cotton/denim or wool), sturdy boots, googles and sturdy gloves
- If you can leave before an evacuation is ordered, do so. Communicate where you will go or a meet-up location to family members and your out-of-area emergency contact.

IF TIME ALLOWS

- Shut all house windows and doors and leave unlocked, turn indoor and outdoor lights on and turn off the HVAC system
- Remove combustible window curtains and move furniture away from windows
- Move combustible outdoor items (furniture, trash cans, etc.) to a garage or 30’ away from house
- Turn off your gas at the meter
- Move any extra vehicles off the street to give responders room
- Park your vehicle facing toward the street, with essential items inside and windows closed
- If police, fire or emergency personnel order you to evacuate, leave the area immediately!
- Take pets with you, do not leave them behind as you may not be able to return for days
- Assist others as you are best able to, but don’t put yourself in additional danger doing so
- If evacuating by vehicle, take only one or better carpool in order to help reduce congestion
- In the car, turn on headlights, close windows, drive slowly and defensively and be observant
- Proceed downhill, away from the fire if possible — if trapped, you are better protected inside the vehicle or inside a building. Evacuate on foot only as a last resort.

DURING EVACUATION

- Report in at your pre-selected assembly area or family meeting place if possible
- Notify your out-of-area contact and share your and your family’s location and status
- Make a list of those who evacuated safely and those who still might be in the danger area and give a copy of the list to police, fire or emergency personnel

Remain calm—panic is deadly!

AFTER EVACUATION
GO-BAG CHECKLIST

Put these recommended items in a backpack or other easy-to-carry bag such as a duffel or a sturdy shopping bag. Add other supplies as needed. Keep your Go-Bag(s) in a quick-to-reach location such as an entry-hall closet or near a door in a garage. Make sure they are labeled with your name and address. It is a good idea to also have emergency Go-Bags in your vehicles and at work.

NOTES

Your Go-Bags and the additional items above can be stored in a large container inside or in a waterproof box or trash can with a lid outside your residence. This can then be your Stay-Box of supplies to get you through several days if you are sheltering-in-place and don’t need to evacuate.
