

Oakland Community Preparedness & Response

STEPS TO PREPAREDNESS CHECKLIST

The Oakland Community Preparedness & Response (OCP&R) program provides on-line information, Guides and videos on how you can prepare yourself, your family and your community for a disaster, such as a wildfire or earthquake. This information is intended to cover the **most important actions** that you can take now to help protect your property and your lives.

OCP&R recommends that you follow the steps below to get started. **Take actions one-at-a-time.** Work on them as your schedule allows and set dates as goals for completing them.
