**TO PROTECT YOURSELF,
YOUR FAMILY & YOUR HOME?**

DO YOU KNOW WHAT to do if a wildfire threatens your community?
DO YOU HAVE an evacuation plan?
DO YOU KNOW HOW to protect your home against wildfire or earthquake?
ARE YOU READY for PG&E Public Safety Power Shutoffs again this year?

The Oakland Community Preparedness & Response Program Can Help!

Are you concerned about wildfire, earthquake or power shutoff emergencies? The **Oakland Community Preparedness & Response (OCP&R)** program provides awareness, on-line educational workshops, detailed Guides and support to help you be better prepared to respond to a wildfire or earthquake disaster, power outage or other emergency.

Funded by grants from CAL FIRE and the California Fire Foundation, **OCP&R** will teach you how to; build an organized and active neighborhood group, create an evacuation plan, understand emergency notifications, harden your home and community against wildfire and earthquake, and much more.

OCP&R covers the most important steps to prepare for, and respond to, disasters and disruptions that we know are a matter of when, not if. Please visit: www.oaklandcpandr.org/prepare

And please sign up for our weekly, informative **OCP&R** eNewsletters at: www.bit.ly/33c1wXK

**We Provide 1-Hour Interactive OCP&R On-line
"Zoom" Workshops For Your Community**

OCP&R highly recommends CORE/CERT training to learn even more about emergency preparedness and response.

We are your neighbors!
